

HUMAN TRAFFICKING INDONESIA

- Human Trafficking can be defined as modern day slavery in which 27 million victims world-wide are forced, defrauded or coerced into work labor or sexual exploitation leading to severe psychological and physical damage.
- An estimated 19 million Human Trafficking victims are used for sexual exploitation
- Human Trafficking is the worlds second most lucrative crime that affects every nation.
- Indonesia leads South-East Asia in human trafficking atrocities.
- 30% of all female victims are under the age of 18, some as young as 10 years old.
- Indonesian victims are trafficked to more developed Asian countries and the Middle East.
